"NOTICE ASSESSMENTS AND FORECLOSURE

This notice outlines some of the rights and responsibilities of owners of property in common interest developments and the associations that manage them. Please refer to the sections of the Civil Code indicated for further information. A portion of the information in this notice applies only to liens recorded on or after January 1, 2003. You may wish to consult a lawyer if you dispute an assessment.

ASSESSMENTS AND FORECLOSURE

Assessments become delinquent 15 days after they are due, unless the governing documents provide for a longer time. The failure to pay association assessments may result in the loss of an owner's property through foreclosure. Foreclosure may occur either as a result of a court action, known as judicial foreclosure, or without court action, often referred to as nonjudicial foreclosure. For liens recorded on and after January 1, 2006, an association may not use judicial or nonjudicial foreclosure to enforce that lien if the amount of the delinquent assessments or dues, exclusive of any accelerated assessments, late charges, fees, attorney's fees, interest, and costs of collection, is less than one thousand eight hundred dollars (\$1,800). For delinquent assessments or dues in excess of one thousand eight hundred dollars (\$1,800) or more than 12 months delinquent, an association may use judicial or nonjudicial foreclosure subject to the conditions set forth in Article 3 (commencing with Section 5700) of Chapter 8 of Part 5 of Division 4 of the Civil Code. When using judicial or nonjudicial foreclosure, the association records a lien on the owner's property. The owner's property may be sold to satisfy the lien if the amounts secured by the lien are not paid. (Sections 5700 through 5720 of the Civil Code, inclusive)

In a judicial or nonjudicial foreclosure, the association may recover assessments, reasonable costs of collection, reasonable attorney's fees, late charges, and interest. The association may not use nonjudicial foreclosure to collect fines or penalties, except for costs to repair common area damaged by a member or a member's guests, if the governing documents provide for this. (Section 5725 of the Civil Code)

The association must comply with the requirements of Article 2 (commencing with Section 5650) of Chapter 8 of Part 5 of Division 4 of the Civil Code when collecting delinquent assessments. If the association fails to follow these requirements, it may not record a lien on the owner's property until it has satisfied those requirements. Any additional costs that result from satisfying the requirements are the responsibility of the association. (Section 5675 of the Civil Code)

At least 30 days prior to recording a lien on an owner's separate interest, the association must provide the owner of record with certain documents by certified mail, including a description of its collection and lien enforcement procedures and the method of calculating the amount. It must also provide an itemized statement of the charges owed by the owner. An owner has a right to review the association's records to verify the debt. (Section 5660 of the Civil Code)

If a lien is recorded against an owner's property in error, the person who recorded the lien is required to record a lien release within 21 days, and to provide an owner certain documents in this regard. (Section 5685 of the Civil Code)

The collection practices of the association may be governed by state and federal laws regarding fair debt collection. Penalties can be imposed for debt collection practices that violate these laws.

PAYMENTS

When an owner makes a payment, the owner may request a receipt, and the association is required to provide it. On the receipt, the association must indicate the date of payment and the person who received it. The association must inform owners of a mailing address for overnight payments. (Section 5655 of the Civil Code)

An owner may, but is not obligated to, pay under protest any disputed charge or sum levied by the association, including, but not limited to, an assessment, fine, penalty, late fee, collection cost, or monetary penalty imposed as a disciplinary measure, and by so doing, specifically reserve the right to contest the disputed charge or sum in court or otherwise.

An owner may dispute an assessment debt by submitting a written request for dispute resolution to the association as set forth in Article 2 (commencing with Section 5900) of Chapter 10 of Part 5 of Division 4 of the Civil Code. In addition, an association may not initiate a foreclosure without participating in alternative dispute resolution with a neutral third party as set forth in Article 3 (commencing with Section 5925) of Chapter 10 of Part 5 of Division 4 of the Civil Code, if so requested by the owner. Binding arbitration shall not be available if the association intends to initiate a judicial foreclosure.

An owner is not liable for charges, interest, and costs of collection, if it is established that the assessment was paid properly on time. (Section 5685 of the Civil Code)

MEETINGS AND PAYMENT PLANS

An owner of a separate interest that is not a time-share interest may request the association to consider a payment plan to satisfy a delinquent assessment. The association must inform owners of the standards for payment plans, if any exists. (Section 5665 of the Civil Code)

The board must meet with an owner who makes a proper written request for a meeting to discuss a payment plan when the owner has received a notice of a delinquent assessment. These payment plans must conform with the payment plan standards of the association, if they exist. (Section 5665 of the Civil Code)"

(4) If the answer to (3) is no, what additional assessments or other contributions to reserves would be necessary to ensure that sufficient reserve funds will be available each year during the next 30 years that have not yet been approved by the board or the members?

Approximate date assessment will be due:	Amount per ownership interest (Lot) per year:
11/1/2022	\$381.00
11/1/2023	\$565.00
11/1/2024	\$542.00
11/1/2025	\$512.00
11/1/2026	\$473.00
11/1/2027	\$421.00
11/1/2028	\$357.00
11/1/2029	\$276.00
11/1/2030	\$174.00
11/1/2031	\$123.00
11/1/2032	\$22.00

(5) All major components are included in the reserve study and are included in its calculations.

(6) Based on the method of calculation in paragraph (4) of subdivision (b) of Section 5570, the estimated amount required in the reserve fund at the end of the current fiscal year is \$130,686.96, based in whole or in part on the last reserve study or update prepared by Mountain Valley Association as of November, 2021. The projected reserve fund cash balance at the end of the current fiscal year is \$41,000.00, resulting in reserves being 31 percent funded at this date.

(7) Based on the method of calculation in paragraph (4) of subdivision (b) of Section 5570 of the Civil Code, the estimated amount required in the reserve fund at the end of each of the next five budget years is:

2022	\$133,954.13
2023	\$137,302.99
2024	\$140,735.56
2025	\$147,860.3
2026	\$151,556.81

and the projected reserve fund cash balance in each of those years, taking into account only assessments already approved and other known revenues, is:

2022	(\$78,478.46)
2023	(\$194,717.80)
2024	(\$306,387.79)
2025	(\$412,185.52)
2026	(\$509,961.87)

leaving the reserve at:

2022	-59%
2023	-142%
2024	-218%
2025	-286%
2026	-345%

percent funding. If the reserve funding plan approved by the association is implemented, the projected reserve fund cash balance in each of those years will be:

2022	\$42,208.50
2023	\$44,923.30
2024	\$50,556.29
2025	\$60,851.06
2026	\$77,801.71

leaving the reserve at:

2022	32%
2023	33%
2024	36%
2025	42%
2026	53%

percent funding.

Note: The financial representations set forth in this summary are based on the best estimates of the preparer at that time. The estimates are subject to change. At the time this summary was prepared, the assumed long-term before-tax interest rate earned on reserve funds was 1 percent per year, and the assumed long-term inflation rate to be applied to major component repair and replacement costs was 2.5 percent per year.

For the purposes of preparing a summary pursuant to this section:

(1) "Estimated remaining useful life" means the time reasonably calculated to remain before a major component will require replacement.

(2) "Major component" has the meaning used in Section 55530. Components with an estimated remaining useful life of more than 30 years may be included in a study as a capital asset or disregarded from the reserve calculation, so long as the decision is revealed in the reserve study report and reported in the Assessment and Reserve Funding Disclosure Summary.

(3) The form set out in subdivision (a) shall accompany each annual budget report or summary thereof that is delivered pursuant to Section 5300. The form may be supplemented or modified to clarify the information delivered, so long as the minimum information set out in subdivision (a) is provided.

(4) For the purpose of the report and summary, the amount of reserves needed to be accumulated for a component at a given time shall be computed as the current cost of replacement or repair multiplied by the number of years the component has been in service divided by the useful life of the component. This shall not be construed to require the board to fund reserves in accordance with this calculation.

- **Anticipated Special Assessments Statement:**

The right to receive a statement as to whether the Board anticipates a special assessment is required by Civil Code §5300(b)(5).

The Board of Directors does not anticipate levying a special assessment in 2021 but there is no guarantee of not having a special assessment.

- **Deferred Maintenance:**

The Board plans to defer maintenance on access roads outside of the Association and will be investigating other resources that may be available for such maintenance. The Board anticipates that other road maintenance projects will be deferred until such time as additional funding is available.

- **Loans:**
Mountain Valley Association has no existing loans at this time.

- **Current Insurance Summary:**

This insurance summary is provided pursuant to Civil Code §5300(b)(9).

"This summary of the association's policies of insurance provides only certain information, as required by Section 5300 of the Civil Code, and should not be considered a substitute for the complete policy terms and conditions contained in the actual policies of insurance. Any association member may, upon request and provision of reasonable notice, review the association's insurance policies and, upon request and payment of reasonable duplication charges, obtain copies of those policies. Although the association maintains the policies of insurance specified in this summary, the association's policies of insurance may not cover your property, including personal property or real property improvements to or around your dwelling, or personal injuries or other losses that occur within or around your dwelling. Even if a loss is covered, you may nevertheless be responsible for paying all or a portion of any deductible that applies. Association members should consult with their individual insurance broker or agent for appropriate additional coverage."

OPT-OUT FORM

Civil Code Section 5220 allows a member of the association to opt out of the sharing of certain personal information, including name, property address and mailing address, by notifying the association in writing that he or she prefers to be contacted via the alternative process described in subdivision (c) of Section 8330 of the Corporations Code. This opt-out shall remain in effect until changed by the member. (Civ. Code §5220).

Alternative Method for Contact. *Opting out does not mean owners are immune from contact by other members.* The statute that allows opting out also provides that the association must provide an alternative means for contacting members. (Civ. Code §5220.) The option for handling communications with members who opt-out of the membership list is:

HOA Applies Labels. Members who want to mail a letter to opted-out members can deliver to the association their letter in sealed envelopes with postage already applied. The association (or its management company) then applies mailing labels to the envelopes and deposits them in the mail.

As an owner in Tract 3312 and member in the Mountain Valley Association, I do hereby request to opt out of sharing my name, property address, mailing address and email address and agree to be contacted by the alternative method above.

My phone number shall not be shared for any reason.
